

Bring the family one place to stay on the same page

You log the visit, they see it, and nobody chases anyone by text. It costs you nothing: the family invites you into their Circle.

WHY IT FITS YOUR WORK

- Check in and out from your phone, write the visit note, and leave a handoff for whoever comes next.
- The family sees each visit you log. A family-only channel keeps their private conversations theirs.
- Work with more than one family? Switch between them in the same app.

WHAT THE PLAN COVERS

Home safety from photos.

Health basics and an emergency card.

Quiet family check-ins the older adult controls.

IT SENDS PEOPLE BACK TO YOU

Free for you. The family adds you for \$15 a month on top of Essential.

Prefer a walkthrough before you share? **Book 15 minutes.**

Family members start free, no credit card. The 14-day trial starts only when the older adult joins; nothing is charged before it ends. Then the Emergency Card and past reports stay free, and Room Check, Planning Ahead and family sharing are Essential at \$29/mo for the older adult and one family member. We never sell health information. Sharing gives you no account access unless they invite you into their Circle.
